Re: 2009 DiversityFIRST Award

Dear Ms. Sane:

The Texas Diversity Council will host the Fifth annual Gulf Coast Diversity Awards Luncheon & Best Practice Forum on October 1, 2009 at The University of Houston Hilton Hotel. Our Advisory Board would like to recognize you by giving you a **DiversityFIRST Award** for your personal achievements at the awards luncheon beginning at 11:30am and concluding at 1:00pm. You have been selected as one who has demonstrated outstanding commitment to diversity and inclusion in the workplace, marketplace, and community, as well as exemplary leadership.

The theme for the event this year is “Bringing H.O.P.E Through Diversity” as we “Help Organizations Pursue Excellence.” Our keynote speaker is the Texas Secretary of State Esperanza “Hope” Andrade.

If your schedule would allow you attend this event and accept your award, please feel free to contact Jason deGroot at [jason.degroot@texasdiversitycouncil.org](mailto:jason.degroot@texasdiversitycouncil.org) or 281-984-7043.
